INTER-OFFICE MEMORANDUM

ATTENTION OF MEMO TO FILE

*Randy, Gene & Bob*

DATE November 12, 1975

DEPARTMENT

We have an unconfirmed report of a van being parked at night in front of 940 W. Central, repeatedly, with the 'owners' of the van apparently living in it. Check the area for possible violation of 30-4 (Depositing of Objectionable Waste on Public or Private Property)

This call was received from a Mr. James Peacock at the above address, 866-2049. Please report your findings to me rather than to Mr. Peacock.
